## BEAT 'EM AGAIN.

### Bishop McNamara Knocks Out the Enemies of Free Speech.

Beat 'em again! And Bishop J. V. McNamara is once more a free man!

The accusations against the Bishop, made by parties in Kansas City, Mo., after being tried in several courts, were finally disposed of by Judge Broadbuss at Liberty, Mo.

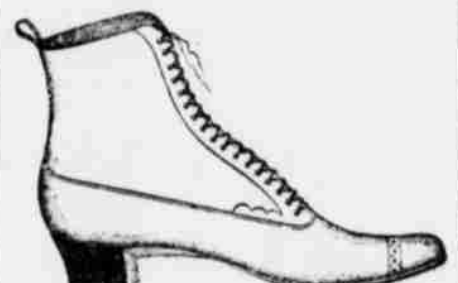

The Bishop was charged with falsely accusing certain nuns and Priests with immorality.

The defense was that his charges were against Priests in general and none in particular.

When the evidence was all heard the Jury brought in a verdict of not guilty.

## RALLY TONIGHT.

### Public Meeting in Behalf of a Shoe Factory in Maysville.

Let's build a factory. And make shoes in Maysville!

Citizens, business men and capitalists are requested to meet at the Council Chamber at 7:30 this evening to organize for the establishment of a shoe factory in Maysville.

Experienced men will be on hand to explain matters. It is proposed to start in a modest way, and to increase facilities as the demand grows.

In the outset the factory will employ about twenty hands, to whom it will give steady work.

Necessarily some of these must be experienced workmen, while the larger number will be girls and boys, most of whom, after a few months, will be able to earn from \$5 to \$8 a week.

But be at the meeting and be prepared to help the enterprise along.

## FREE—WITH COSTS.

### Circuit Court Dismisses the Chaps Charged With Robbery.

Charles Desmond, Charles Smith and Frank Brown, the chaps who escaped from the municipal lock nine some time ago by "robbing" the guard of his gun and his liberty, and who were soon after captured in Ohio and returned to Jail here to answer the new charge of robbery, were arraigned yesterday in the Circuit Court.

Judge Harbeson and a Jury heard the evidence, and a verdict of not guilty was returned.

Whereupon the Judge ordered that the accused get up and get.

Immediately upon their release the city authorities arrested them on account of a bill of costs which they had not worked out—the Governor having remitted their fine and imprisonment sentences under the original arrest.

Judge Wadsworth presented a bill for Court costs of \$9.60 to each party.

Their attorney kicked, stating that the Circuit Court had ordered them to go hence, regardless of the costs.

Judge Wadsworth stuck to his proposition, and Judge Harbeson was called in.

The result was that the bill of costs was increased to \$10.05 in each case.

Desmond paid his and went on his way, while Smith and Brown went to Jail until this morning, when Judge Harbeson will be called upon to determine the legality of Judge Wadsworth's fee bill.

## YESTERDAY'S WIND

### Did Considerable Damage to the Henry M. Stanley.

Yesterday afternoon, while the steamer *Henry M. Stanley* was taking on some cattle at Springdale, a severe storm came up, and while the wind was at its highest the swinging stageplank was blown around, crushing in the front part of the boat and finally landing on the hurricane roof.

A colored roustabout, who was standing in the path of the stageplank, was struck, knocked overboard and drowned.

The passengers became panic-stricken, and for awhile the Captain had his hands full trying to quiet them.

No other fatalities are reported.

The storm was the severest in that locality in many years.
